Sep 2013

Dear Parent / Guardian:

The Indiana Department of Education provides the Invitation Code below to claim your child's ISTEP+ results on the **Indiana Parent Network™**

Invitation Code:

Expiration Date: **9/6/2014**

This website can help you support your child by providing:

- Your child's Spring 2013 ISTEP+ results (available end of May)
- Access to personalized resources
- At-home learning activities

Once you have reviewed your child's results, the next step is to access your child's responses to the open-ended test items (via the Indiana Parent Network) and determine if a request for rescore is appropriate. Please refer to the English or Spanish Guide to the Student Report for the Indiana Statewide Testing for Educational Progress-Plus (ISTEP+) for more information. These guides are located on the Indiana Parent Network. The links are on the Home page under the Explore section.

Please note: Rescore requests must be submitted during the 'Rescore Window' (dates are posted on the 'Welcome to Parent Network!' page in the Indiana Parent Network). You will need to contact your child's school to submit a rescore request, as the school cannot initiate a rescore without a parent request. If your child's test score changes as a result of a rescore, an updated ISTEP+ Student Report will be posted on the Indiana Parent Network.

If you have any questions or would like to receive a printed copy of your child's results, please contact your school principal.

Sincerely,
Indiana Department of Education
